

ACO. we care for water

ACO Group operates in more than 50 countries on 6 continents. For our head office in Sofia, we are looking for:

Supply Chain Manager

Responsibilities:

- Develop and implement supply chain strategies.
- Manage vendor relationships and negotiate purchase conditions
- Oversee international/domestic logistics and optimize transport costs.
- Monitor inventory, ensure stock availability, and prevent shortages/overstock.
- Coordinate internal processes (orders, invoicing, warehouse).
- Ensure compliance with import/export regulations and tax/customs documentation.
- Collaborate with finance, warehouse, and project teams.

Requirements:

- Degree in Supply Chain Management, Logistics, Business Administration, or related field.
- Proven experience in supply chain, procurement, or logistics.
- Strong negotiation and contract management skills
- Knowledge of international shipping, import/export, and tax regulations.
- Analytical and problem-solving skills; effective communicator.
- Experience with global suppliers and multicultural teams.
- Proficiency in ERP systems and data analysis tools.
- English and/or German language.

To find out whether ACO is a good match for you – and vice versa - please send your CV, motivation letter and a recent photo to careers@aco.bg.

ACO is a Water-Tech company that protects water. Building on our global drainage expertise that protects people from water, we increasingly see our mission as also protecting water from people.
